Date of Warranty Activation:

Who receives the benefit of this workmanship warranty?

Inspire Concrete Warrants to the above customer that any installation procedures performed will be free from workmanship defects for a period of 1 year from the above date. The Warranty covers workmanship only.

Where the installation premise has been transferred, Inspire Concrete will not transfer this workmanship warranty to the new owner of the premise.

Scope of this workmanship warranty

The workmanship warranty covers any defects that arise from the workmanship in installing your concrete at the premises specified in the Concrete Proposal.

It does not cover the system or any of its components, including the performance of the concrete and steel (which may be covered by separate manufacturer warranties and under law).

- For work/labour related to the installation of concrete & steel, the workmanship warranty period is 10 years from the date of the installation of the switchboard.

Where the workmanship warranty applies, Inspire Concrete will at its discretion and cost:

- repair the installation; or
- Re-do the defective area so that the area is no longer defective.

Limitations and Exclusions of the workmanship warranty:

To the extent permitted by law, claims are excluded from the workmanship warranty where the defect or loss is or has been caused or contributed by:

- improper use of the concrete
- Applying loads not intended for original design
- Any acts of nature e.g lightning, flooding, pest damage, ground or building movement
- damaged services e.g cracked sewer or stormwater under or around the slab
- Any act, omission, misuse, abuse, or damage (whether wilful, accidental or negligent) caused by the customer or a third party;
- General wear and tear;
- a failure to promptly notify Inspire Concrete of any defects
- any works or parts which were not part of the Proposal Agreement.
